PRODUCT REQUIRED

NAME & STRENGTH:	Quantity:

Order Contains Narcotic Item(s)

Pharmacist:

Pharmacist Signature:

License:

* Compounds are prepared and delivered Monday through Friday. We strive to provide next day delivery on most simple compounded medications. More complex compounds such as capsules, suppositories, etc. may require approximately two business days to prepare. If an earlier time period is needed, please call and speak with our lab.

At your discretion and for verification purposes, you may attach a copy of the prescription with patient and prescriber information removed.

THANK YOU
